

Products manufactured by TAMCO are warranted to be free from defects in material and workmanship for a period of 12 months after being installed or placed in service, but in no instance shall the period or warranty be longer than 18 months from the date of original shipment by TAMCO.

TAMCO warrants only that it will furnish replacement material, or at its option, repair any product of its manufacture that is proven to TAMCO's satisfaction to be defective in material or workmanship during this described warranty period.

Products not manufactured by TAMCO will be warranted by TAMCO only to the extent that they are warranted to TAMCO by their manufacturer.

TAMCO shall have no responsibility for the operation or performance of any products in any manner other than that for which the product is usually tested and applied under industry standards, nor for any damage to a product from abuse, misapplication, unauthorized repairs, abrasion, erosion, corrosion, or the like due to abnormal temperatures, or the influence of foreign matter, nor for the design or operation of any system of which any product may be made a part, or for the suitability of any product for any particular application.

TAMCO shall not be liable for any cost or expense, including without limitation, labor expenses, in connection with removal or replacement of alleged defective equipment or any part or portion thereof nor for incidental or consequential damages of any kind, or under any circumstances for any damage beyond the price of the goods sold.

THE FOREGOING WARRANTIES ARE EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES EXCEPT THAT OF TITLE, WHETHER WRITTEN, ORAL OR IMPLIED, IN FACT OR IN LAW (INCLUDING ANY WARRANTY OF MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE).

Correction of non-conformities, whether patent or latent, in the manner and within the period of time provided above, shall constitute fulfillment of all liabilities of TAMCO whether based on contract, tort, strict liability or other legal theory with respect to TAMCO's products.

TAMCO neither assumes, nor does it authorize any other person to assume on its behalf, any other liability in connection with the sale of its products.

Contact your TAMCO sales representative if inquiring about the bearing warranty.
